AMERICAN WEAPONS CORPORATION
8255 Sunset Blvd., Hollywood 46, Calif.

Dear Customer:

In order to qualify as a dealer you must maintain a retail sporting goods store and have a Federal Firearms License. California dealers must also have a resale number and a State book in which to register hand guns. Please give us full particulars in this regard.

Our policy allows us to extend credit only to those listed in Dun and Bradstreet with fair or better rating. Please give us the name under which you are listed. Others may order on a cash in advance or C.O.D. basis, and will be given a 2% cash discount.

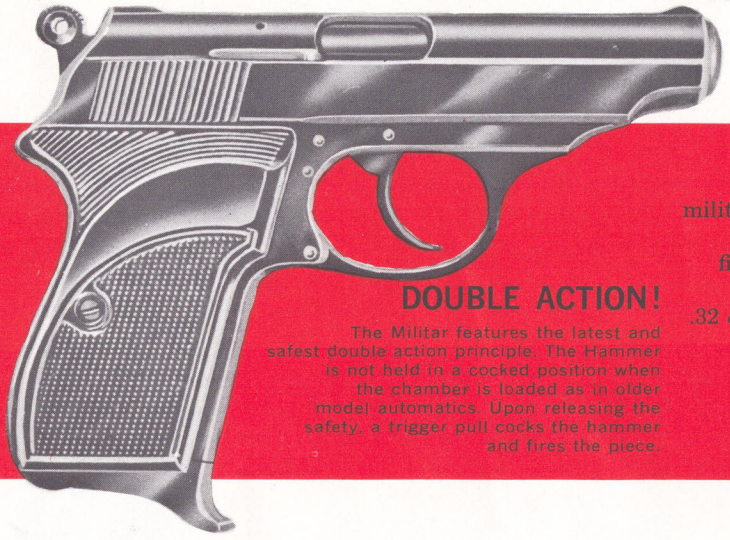
automatically the finest...

THE .22 L.R., .32 AND .380 CAL.

MILITAR



DOUBLE ACTION!

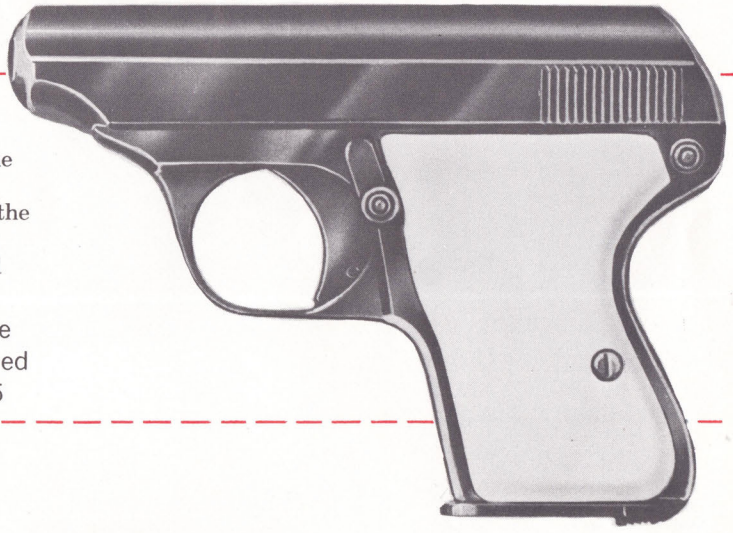
The Militar features the latest and safest double action principle. The Hammer is not held in a cocked position when the chamber is loaded as in older model automatics. Upon releasing the safety, a trigger pull cocks the hammer and fires the piece.

A superb heavy duty automatic in ultra-modern military style. You must see to appreciate the incredibly smooth action and beautiful interior and exterior finish. All steel. Available in three calibers. .22 Long Rifle – .32 – and .380. Eight shot magazine for the .32 & .380 caliber and 10 shot magazine for the .22 L.R. Weight 24 ounces – overall length 6".

	Blue	Chrome	Chrome Engraved
List prices	$47.50	$49.95	$54.95

THE .25 A.C.P.

MAXIM



The finest all steel .25 caliber automatic and the most economically priced automatic in the United States. This is the handgun that offers the most value and finest shooting pleasure of any pistol available. Weight 12½ ounces – overall length 4½" – .25 A.C.P. caliber – magazine capacity 8 rounds.

	Blue	Chrome	Chrome Engraved
List prices	$24.95	$26.95	$29.95

THE .22 CALIBER

STUKA

An all-steel precision made .22 short or .22 long caliber automatic pistol. The perfect companion for a hunting or fishing trip, fun shooting or personal protection. Weight 12½ ounces – overall length 4½" – magazine capacity 6 rounds.

	Blue	Chrome	Chrome Engraved

T-62

U.S. CIVILIAN DEFENSE WEAPON!

Model T-62 C.D.R.

An entirely new concept in .22 L.R. Caliber weapons.

List $49.95

This super-accurate defense weapon is now perfectly legal and available to U.S. citizens over the age of 21. Especially designed for civilian defense work. Never before has there been anything like this weapon either on U.S. or foreign markets. It closely resembles the world famous "Tommy Gun." Not only does this weapon look like the "Chicago Typewriter," but it has more potential firepower than any gun since. With world conditions the way they are today, this weapon becomes a must. It is the perfect weapon for civilian defense, house to house fighting, jungle warfare, repulsing enemy paratrooper attack, normal hunting or target shooting. Ammunition is cheap and easily obtainable in case of national emergency. Its special light weight makes it the sweetest firing .22 L.R. weapon you have ever handled, and it is deadly accurate.

Specifications: .22 L.R. caliber — Standard 8 shot magazine — Special 16 shot, over and under clip — G.I. Parkerized finish — Semi-Automatic — 16" barrel — weight, 3¾ pounds — steel and aluminum construction — adjustable rear peep sight. Special finned barrel for better cooling on sustained firing. Special muzzle compensator to reduce recoil, give better accuracy and hide muzzle flash for night shooting.

Never before a weapon like this for only **$49.95**

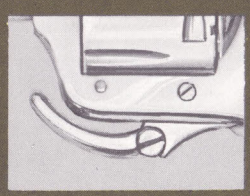
THE CHICAGO CUB

.22 CALIBER FOLDING TRIGGER REVOLVER

$16.95

TERROR OF THE 1890 UNDERWORLD!

This is the pistol that ruled the lives of the infamous gangsters at the turn of the century. This handgun was in extensive use throughout the underworld prior to the introduction of the automatic.



The Chicago Cub is an accurate, modern, shooting replica of old time gangland's hide-out gun. The tuck-away trigger folds up against the frame when the pistol is not in use. This unique feature makes it easy to hide or carry. It fits nicely into the pocket of your pants or jacket. It can be taken out without hanging up, or catching. With the trigger "tucked away" there is no jabbing when carried in your pocket. This is the perfect pistol for home, business or personal protection.

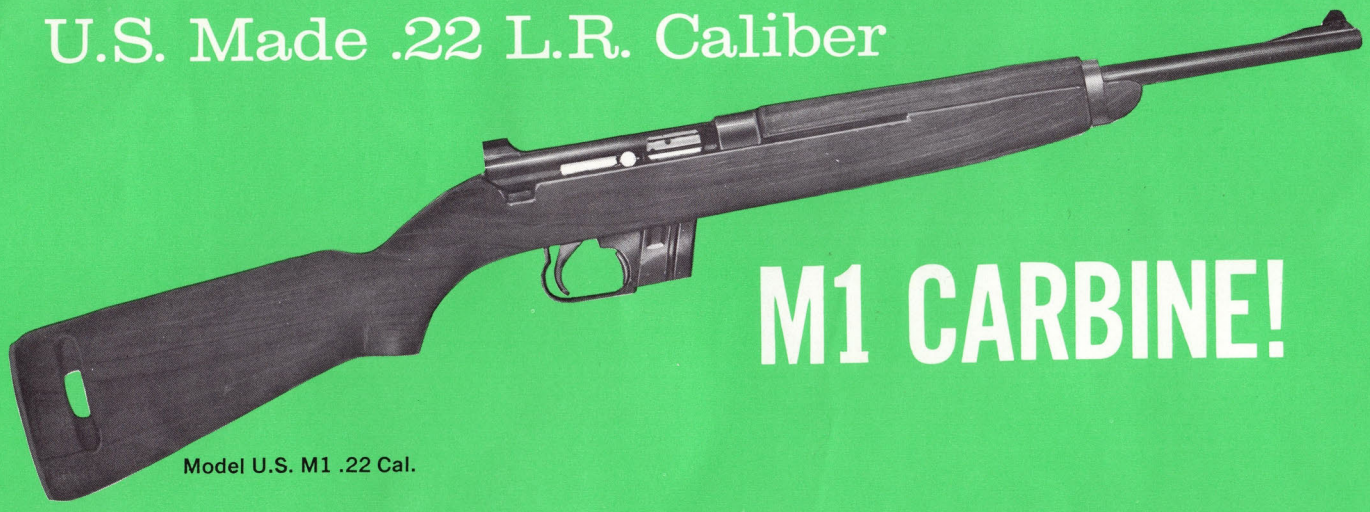
U.S. Made .22 L.R. Caliber



M1 CARBINE!

Model U.S. M1 .22 Cal.

Special first offering of this brand new M1 carbine in the world's most popular caliber! This most desired firearm from two wars is now available in .22 L.R. caliber.

This daring new concept in a sporting carbine doubles in brass as a defense weapon. As an extra accessory it features the Hy Hunter special 16 shot over and under magazine, which enables you to maintain rapid and sustained firing. The magazine can also be used as a hand hold for extra steady rapid fire. This rifle is the only .22 auto loader with a special muzzle compensator available that reduces recoil, gives better accuracy, and hides muzzle flash for night shooting.

The U.S. made .22 L.R. caliber M1 carbine has the most fire power for its weight and is deadly accurate. It is the perfect weapon for defense, hunting or shooting on the range. Its special construction makes it the worlds lightest and sweetest firing .22 L.R. you have ever shot.

Specifications: .22 L.R. caliber — semi-automatic — 8 shot standard magazine — special 16 shot over and under magazine — U.S. parkerized finish — 16″ barrel — weight, 3¾ pounds — steel and aluminum construction — adjustable rear peep sight — ramp front sight.

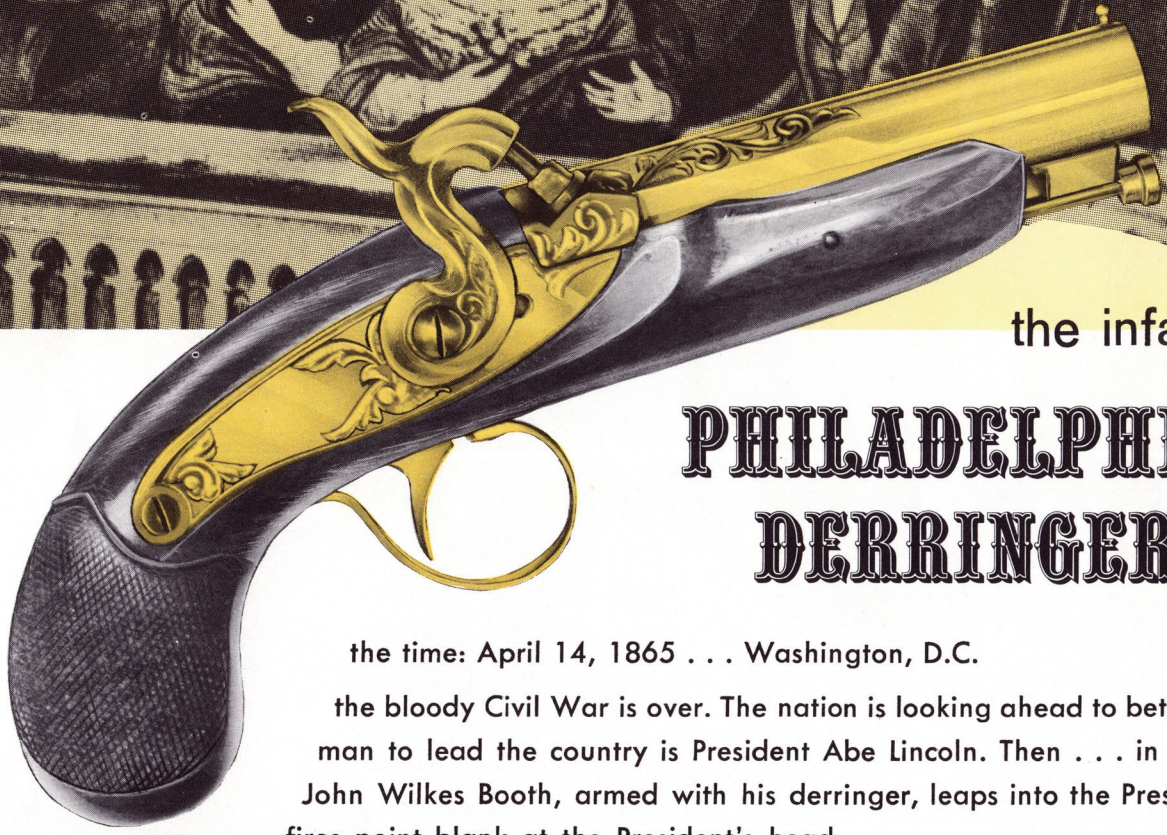
the infamous

PHILADELPHIA DERRINGER



the time: April 14, 1865 . . . Washington, D.C.

the bloody Civil War is over. The nation is looking ahead to better times. And the man to lead the country is President Abe Lincoln. Then . . . in the Ford Theatre, John Wilkes Booth, armed with his derringer, leaps into the Presidential box, and fires point blank at the President's head.

It was the blow that turned a country back into turmoil, and dealt a terrible shock to the future of the south.

NOW, HY HUNTER'S famous designers and gunsmiths have reached into the past to reproduce the PHILADELPHIA DERRINGER for those who want the best in a fine shooting antique gun.

100% guaranteed. You must be satisfied.

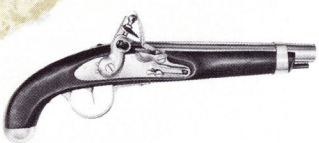
the gun that terrorized the seven seas . . .

the BUCCANEER FLINTLOCK

"all hands on deck!" . . . Think back to the days when ships, bristling with cutlasses and cannon, were manned by the terrors of the seas; the bloodthirsty buccaneers. These warlords of the waters reigned terror on all shipping, ravaged, pillaged and burned the coastal cities of the Caribbean, and left their death toll wherever they went!

Out of this turbulent time was born the BUCCANEER FLINTLOCK, the weapon that complimented the fearless warriors that used it. HY HUNTER has recaptured this gun with authentic accuracy. Painstakingly reproduced in the finest metals. Specifications .79 calibre natural walnut stock, brass trimmed & browned metal finish. Length 17½" weight 4¾ lbs. A fine shooting pistol.



The BUCCANEER FLINTLOCK is being introduced to you now at an unbelievably low cost, in order to maintain the HY HUNTER tradition of giving you the finest, at the lowest prices.

OF COURSE, it's guaranteed 100%. YOU MUST BE SATISFIED.
